**JOINT PRACTICE STARTING AT 3:45**

## ANDY'S SLAP SHOT

**It finally came out! Coach Ritter has fled New Jersey and his family to take up with longest drive guy from the golf outing. Ritter, and the guy, as his family is referring to him, has been carrying on for the last 2 months often seen at local watering holes in Warren County NJ. The epic relationship began on hole #5 as the big guy put a classic grab on the coach! I'm told Ritter saw skyrockets! The rest will be left to your imagination.**

**The coach will be changing the official DD warm up to hot pink and encouraging his players to lace up in fuchsia!**

**Opening day is this Saturday, September 16<sup>th</sup> at 3:45. We'll be holding a joint practice for one hour until 4:45. All players requiring equipment are asked to get to the rink around 2:30. I'll be at the equipment closet with some of our experienced parents to go over equipment required and how to dress your player. All practice dates and times are on the website.**
